ALL CLASSES HAVE A MINIMUM & MAXIMUM REGISTRATION. If a class does not have enough students, we will delay its start and work with you on other options. Please call to check on status if you are not enrolled.

Pointe classes require enrollment in at least one ballet technique class per week. Two additional ballet classes per week are encouraged.

Combined advance level classes (Ballet IV-V or Jazz IV-V) do not replace on level technique classes. These classes do not participate in recital.

Multi-Year Curriculum for Ballet & Jazz

The studio uses a multi-year curriculum for students age 6 and above. This has been found to be the best way to develop competency & confidence.

The guidelines for class placement:

Discovery is a creative movement program for pre-school and kindergarten. Students must be three by December 31, 2011.

Level 1 – Beginning students, typically in 1st and 2nd Grade students will develop a solid base in dance technique. Ballet strongly encouraged.

Level 2 – Ready for more than basics. Students typically in 3rd and 4th grade Ballet students have 1¼ hr class.

Level 3 – Intermediate level. Typically 5th and 6th grade. Pointe class will be on Mondays for those on pointe and preparing to be on pointe. They are required to take at least one Level III ballet class in addition, two encouraged.

Level 4 – Intermediate/Advanced. 7th grade and up with instructor approval.

Level 5 – Advanced level, with instructor approval.

Most of our classes participate in recital. Students must be enrolled by end of January in time to order costumes to participate. Classes without recital include all “Teen/Adult classes”.

Contact Us for More Classes

Jazzercise with Carolyn, Zumba with Blanca and private classes with our instructors are arranged with teachers directly. We also take interest sign ups for other classes or class times and contact those interested when we have a base of students.

Policies

Our policies ensure the value of all students’ class.

- Late fee of \$20 charged for payments made after the 10th. Returned checks charge of \$25.
- Financial responsibilities must be current before a costume will be ordered for recital and must be current at the time of recital to perform.
- Students benefit most when they are in class. They should plan to arrive at the Studio and be ready at least 5 minutes before class.
- Dancers should take dance bags & personal items into class and place under mirror. Cell phones should be off during class.
- Ballet attire for girls is black leotards, pink tights and hair in bun. For other classes a pony tail and black jazz shorts or pants are welcome. Jazz shoes needed only through Level 2.
- For boys, ballet students should wear white shirt, black tights & shoes.
- All Hip Hop students should be in sneakers and movement ready attire.
- Dancers being disrespectful or disruptive will be asked to sit out the class.
- For students participating in off-campus P.E. there is a \$25 annual fee to cover administrative costs.
- Accounts can be automatically charged on the 10th of each month with written authorization. You may also choose to have other charges (recital, costume fees) charged automatically.
- Participation in recital is optional. We must be notified no later than January 31st of a student who will be in the recital. Students participating in recital will pay a recital fee due by March 15th in lieu of ticket sales. Payments for costumes must be paid in full by February 15th. Recital will be held at McCullough Junior High School in The Woodlands.
- Make up classes can be taken for any absence in a class of the same level or lower. There will be no adjustment to tuition for missed classes. Make up classes should be taken within a month of the absence.
